

The Services of Stewardship Advocates

Stewardship Advocates™

Stewardship Advocates

We are the world's first exclusively Orthodox Christian coaching and consulting service for parish and organizational development. We offer the best practices of the professional nonprofit development community adapted for use according to Orthodox ecclesiology and contextualized for application in an Orthodox parish or organization.

The Stewardship Advocates Library

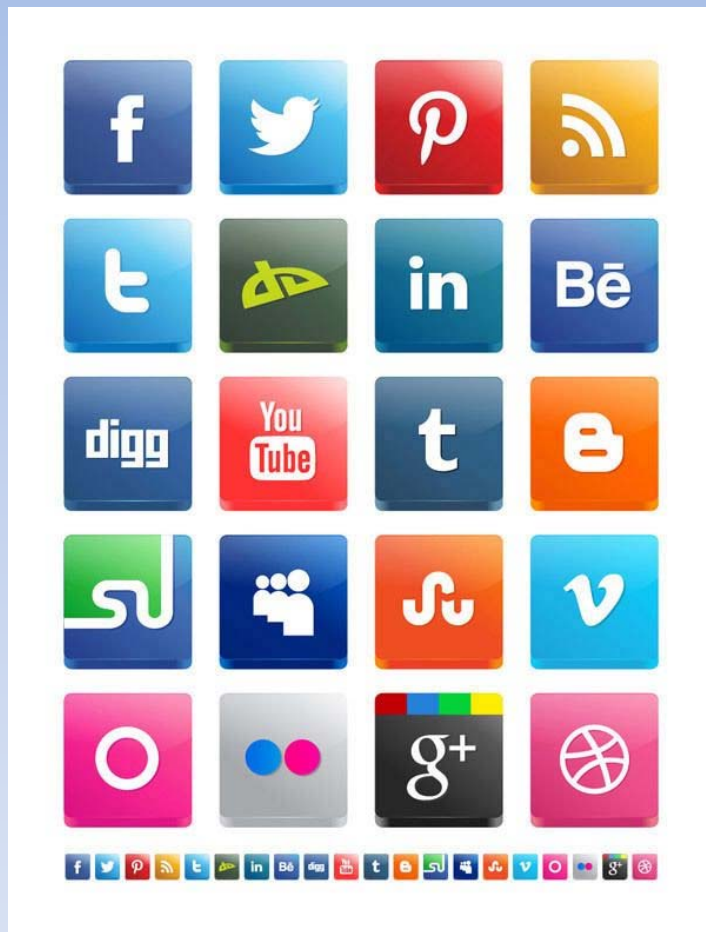

The Library is a collection of articles, tools and materials drawn from the professional nonprofit development community and adapted for use within Orthodox organizations according to Orthodox ecclesiology. The Library is freely offered to all who would wish to make use of it.

The Orthodox Master Builder Newsletter

On a regular basis, we issue a free newsletter on relevant topics of Orthodox leadership, management, development and fundraising drawn from the literature of professional nonprofit development

Social Media

Stewardship Advocates makes additional information and development material for Orthodox parishes and organizations available via Twitter, LinkedIn, Facebook, Pinterest and Slideshare. (See the links at the end of this presentation.)
